Re: SEC.GEN.103/2009

Lyon, 22 June 2009

Mr. Terry Davis
Secretary General of the Council of
Europe.

Dear Sir,

The European Council of Police Trade Union greets your declaration by which you pay homage to the Spanish police officer cowardly murdered in Bilbao last June 19.

The CESP associates to you to condemn this attack for the same reason as it condemned the attack that cost life, in similar circumstances, to a Greek police officer in Athens last week.

As you specify, the very large majority of the European police officers practise their profession sometimes until the death to protect our citizens.

The CESP, invested since 1991 in the works of the Council of Europe, finds in your comments an additional support to pursue its action.

Sincerely yours,

Gérard GRENERON
Secrétaire Général du CESP
